

## **Why is Bridgeton worth watching and learn about Brian nickels bridgerton**

We want to know everything there is to know about the smash program Bridgeton, from the amusing Bridgerton memes that have emerged to the social media activities of the Bridgeton cast. Several of us have wondered about something since the end of season one.

Those of us who have finished Bridgerton (and are waiting with bated breath for the season 2 debut of Bridgerton) may have pondered who the man was to whom the series' last episode was dedicated.

When the closing credits roll on the season finale of Bridgerton, the words "In loving memory of Brian Nickels" appear on screen. Find out more about him below.

### **WHO IS Brian nickels bridgerton, ANYWAY?**

In honor of stunt coordinator Brian Nickels, who passed away in January of 2020 from cardiac arrest, a special statement was placed at the end of the first season's finale. Nickels was a beloved part of the cast and crew, so the producers decided to dedicate the pilot episode and the entire first season to him.

### **Where did Brian nickels bridgerton go?**

In the early 1800s, [Brian nickels bridgerton](#), a resident of Bridgerton, vanished without a trace. There are rumors that he ran off with a woman or that he was slain. His whereabouts and disappearance are still unknown, and his body has never been located.

### **Reasons why you should watch Bridgerton**

Here are some reasons to binge watch this insanely popular show:

## **The perfect way to get away**

There are enough of such doses in *Bridgerton*, making it a suitable binge-watching option. It's hard to watch this opulent period drama without wanting to curl up with a cup of tea and a duvet and start using ridiculously pompous language. The lavish parties, bright costumes, and ridiculously extravagant mansions and palaces surround and soothe you. Furthermore, the characters all have their own endearing quirks that make them a pleasure to watch.

## **Very stunning, both in terms of set design and costuming.**

Everything about *Bridgerton* is gorgeous, from the picturesque facade of old-fashioned houses to the ostentatious floral costumes of the Featheringtons, and I think this is the main reason why people have fallen in love with it. Seemed like no matter where you looked on television, there was something pretty to take in. Regency clothing never interested me before this show. Puffed sleeves never really appealed to me before, but after seeing that show, I can appreciate them on a whole new level.

## **All of the sex is fantastic.**

The problem with continuously altering the masterpieces from the 19th century or paying explicit respect to them is that the experience becomes tediously predictable. Even if a person has never seen a pyramid in their life, the image of the structure is permanently imprinted in their mind. Certain people can't seem to move on from the era before sex was introduced to the world of costume play.

## **This groundbreaking use of a colorblind casting process**

The representation of persons of color in British historical dramas has been the subject of much debate. Some critics claim it misrepresents the past, while others say it minimizes the sins of racism on purpose. But what's laudable is that people of

## **It has a modern twist on a period drama.**

The use of contemporary hit songs was another attempt to update Bridgerton for a new audience. The music was a constant presence throughout the season, by which I mean the time of year when London's upper class socialites attend a plethora of balls where debutantes seek suitable husbands. Yet, there was a wide variety of music being played. The makers gambled that the pop instrumental versions would appeal to a wider audience through the power of memory and song association.
