Take to the skies with Insignia College's Commercial Pilot License program. The aviation industry means qualified pilots are in demand. The Commercial Pilot Program provides a strong foundation in the basic principles of flight. In the Commercial Pilot License Program you will attend ground school training at our Delta campus at Boundary Bay Airport (CZ)

## Training Overview

Insignia College Commercial Pilot License program is divided into Ground school and Flight Training. Ground school will furnish you with the required background knowledge and understandings to successfully challenge the Transport Canada written examination, while the

Yearly
